EVENT REPORT

A guest lecture by, **Dr. P. Sreehari Rao**, Professor & HOD, ECE Department, **National Institute of Technology - Warangal** is arranged for the benefit of ECE students on “**Recent Trends and Opportunities in IC Design**” organized by the **Department of ECE in association with ACES, IETE Student Forum & VLSI Club** on **11.02.2023** (Saturday) at **9:30 am**. In his lecture, Dr P Sreehari Rao has discussed in detail about the IC Fabrication for IOT Applications. He also discussed about the Opportunities in IC Design for Analog Signal Processing. He emphasized on the importance of choosing VLSI IC Fabrication as a research career. The students of 3/4 ECE, ANITS have participated in the guest lecture. Dr P Sreehari Rao was felicitated by Prof. B. Jagadeesh, HOD ECE, Prof. G. Manmadha Rao, Head Placements, Prof. V. Rajya Lakshmi, Head Academics, and faculty members of ANITS.

PIC 1. Felcitation of Dr P.Sreedhar Rao by Dr B Jagadeesh, HOD ECE, Prof. G.

Manmadha Rao, Head Placements

PIC 2.Dr P.Sreedhar Rao elaborating on IOT applications

Mr B.Chandra Mouli

IETE ISF faculty Coordinator

Dr B.Jagadeesh

HOD, Dept. of ECE
